

**AKM**  
Magnetic Sensors, Current Sensors, Gas Sensors, Audio Devices, Specialty Devices  
[www.akm.com](http://www.akm.com)

**MEGA Electronics**  
Preferred partner for commercial and industrial use, designing, manufacturing, and delivering power cords and power supplies.  
[www.megaelectronics.com](http://www.megaelectronics.com)

**Classic Fasteners LLC**  
Fasteners, SEMS, screws, thread formers, thread cutters, bolts, nuts, washers, rivets, nylon parts, brass and cable ties.  
[www.classicfastenersllc.com](http://www.classicfastenersllc.com)

**Mildex Optical, Inc.**  
PCAPs, Multi-Touch Resistive, Resistive, and Touch Window Products.  
[www.mildex.com.tw](http://www.mildex.com.tw)

**Conec**  
High-quality connectors, patch cable and single ended cable and enclosure technology.  
[www.conec.com](http://www.conec.com)

**NextLink Technology**  
Standard connectors, custom connectors and application specific components.  
[www.nextlinktech.com](http://www.nextlinktech.com)

**CRV Electronics**  
Contract manufacturer that focuses on electrical wiring harnesses, cable assemblies, wire processing, and box builds.  
[www.crvelect.com](http://www.crvelect.com)

**Nidec Copal Electronics**  
Switches, trimmer pots, sensors, mirrors, motors, fans.  
[www.nidec.com](http://www.nidec.com)

**Delta Electronics Manufacturing**  
Leading global provider of innovative RF, microwave and millimeter wave interconnect solutions.  
[www.deltarf.com](http://www.deltarf.com)

**Passive Plus**  
High-Performance RF/Microwave Passive Components  
[www.passiveplus.com](http://www.passiveplus.com)

**Eaton**  
Power magnetics, circuit protection, super-capacitors and super cap modules.  
[www.eaton.com](http://www.eaton.com)

**PM Mold**  
In-house, high-tech mold making and state-of-the-art injection. Prototype mold making, multi-cavity production mold making, vertical insert molding and IMD (in mold decorating). Offshore tooling is also available.  
[www.pmmold.com](http://www.pmmold.com)

**Forest Electric Company (FELCO)**  
Electrical transformers, inductors, chokes, and reactors with value-added assembly.  
[www.kemet.com/transformers](http://www.kemet.com/transformers)

**Samsung Electro-Mechanics**  
MLCCs, Printed Circuit Boards, Camera Modules, Network Modules, and Semiconductor Substrates  
[www.samsungsem.com](http://www.samsungsem.com)

**Grand Dynasty Industrial Co., Ltd.**  
Mold design and fabrication, molding parts, secondary molding processes and assembly.  
[www.grand888.com](http://www.grand888.com)

**SMC Diode Solutions**  
Circuit Protection and Discrete Semiconductor Products  
[www.smc-diodes.com](http://www.smc-diodes.com)

**Greenliant**  
Durable, reliable and secure solid state storage products.  
[www.greenliant.com](http://www.greenliant.com)

**Ultratech, Inc**  
Custom, engineered components ranging from simple brackets to complex mechanical assemblies.  
[www.ultratechinc.com](http://www.ultratechinc.com)

**JHD**  
Display products widely used in automotive, home appliance, medical, communication and consumer field industries.
